Minutes were tabled until next months meeting because no one had read them. Tabling of minutes motion was made by Councilman Clendenin. The second to the motion was made by Don Skinner. The motion passed 3-0-0.

Jim brought in applications for the job posting for highway to replace Dave Meheubacker. Applications will be gone through this week, and he will have the three that he feels are best qualified for the job brought into the next meeting before making his final decision.

Jim brought up that the Irish Settlement bridge is closed for at least 3 weeks. They are working with the county to make the necessary repairs.

Mike Healy brought to everyone's attention that there is an option to have a "Social Host Ordinance" put into effect if the board feels fit. This adds to the underage drinking laws that are already in effect.

Don Skinner brought up that Wil Mac Park benches need to be repaired. He also asked about the tennis courts, and if they were going to be repaired. The Supervisor will look into it.

The rules and regulations sign at the cemetery was in bad shape; so Lois had Brock take it down so that a new one may be put up. Don is looking into a quote.

Next Monday's meeting will have discussion on the "Water District Project"

Mark inquired per Judge Presutti as to if we were going to allow him to use the back office for his office. Lois said yes he can, to let us know when he wanted the move to take place.
