

Town of Amity  
Planning Board

October 14, 2008

Members present: Mr. Robert Ellis, Mr. Joseph Zajicek and Mr. Randy Potter.

Also present: Mr. Kier Dirlam

Meeting was called to order at 7:06pm by Mr. Ellis.

Motion to approve last months meeting minutes made by Mr. Zajicek, seconded by Mr. Potter.

Mr. Ellis announced that there will be a planning and zoning conference on November 13th in Jamestown for Southern Tier West. Anyone that would like to go can.

Mr. Ellis gave out copies of the Town of Amity's local laws and ordinances. They can be incorporated into the towns comprehensive plan.

Mr. Dirlam pointed out some of the projects that the Betterment Association has been or will be associated with: street scape, development of the 1st Responder Park, clock in the park with the Mason's, and developing the back of the old Belmont school with a consession stand and bathrooms.

A draft of the comprehensive plan should be in place before the end of the year. Maps with roads, emergency water supply's, local laws and ordinances and the information that Maureen Harding has already supplied can be put into some sort of a format. Finishing touches can be done early next year with a copy given to the Town Board for review. If the plan is approved by the board: 1. notification to the public of a public hearing. 2. the public hearing. 3. setting the date to approve the plan at a board meeting.

Another thing to consider is how to insure that the plan is actually implemented.

Mr. Ellis has talked with the town supervisor and was told that money will be set aside in the budget for the local windmill energy law.

Motion to adjourn meeting at 8:17 pm made by Mr. Zajicek, seconded by Mr. Potter.

Next meeting to be held on November 11, 2008 at 7:00pm.

Secretary: Lisa Plummer
