

**Minutes of the Regular Meeting
Planning Board - Town of Amity
December 6, 2006**

Chairman Lois Reynolds called the meeting to order at 7:05 PM.
Present: Louise Windus, Robert Ellis, Judy Hurd

Absent: Frank Pasquale, and Don Zajicek

The Belmont Betterment Association was invited to attend this planning board meeting, however, they were unable due to prior commitments.

The Amity Lake Association had also been invited to attend our planning board meeting. Mr. Jim Danaher responded from Florida that he will be returning to Belmont in January. He also stated that David Greene is the President of the Association. They have expressed an interest in attending a meeting in the new year. Lois Reynolds will try to get a copy of their charter to see how we can work with them. It would be to our advantage to know what the Town responsibilities and boundaries are.

New Training Regulations - The Town Board would like to draw up a resolution to waive the 4 hour training. A motion was made by Lois Reynolds, seconded by Robert Ellis, and carried to support a Town Board resolution to waive the 4 hour training. The Allegany County Planning Board is working on scheduling some training sessions out to the Cross Roads Center in Belvidere for local Planning Boards.

Diesel Idling Reduction - There are already New York State laws on the books regarding this subject. There is a move by a public service group to enact better enforcement of these laws. We should consider this topic in our comprehensive plan.

We hope to set up a meeting with Maureen Harding, Big Flats Planner, sometime in January. Lois Reynolds will contact her to see if she can meet with us January 20, 2007.

Our next meeting is set for January 3, 2007 at 7:00 PM.

A motion was made by Judy Hurd, seconded by Robert Ellis, and carried to adjourn the meeting at 7:50 PM.

Respectfully submitted,

Louise Windus
