

TOWN OF AMITY PLANNING BOARD

MINUTES

OCTOBER 15, 2015

Meeting was called to order at 7:05 by Wendy Skinner.

Present: Wendy Skinner, Doug Serra, Paula Van Dyke, John Clouse, John Maynard, Lois Reynolds and Miranda Van Dyke

All joined in the pledge to the flag.

Minutes of 9/10/15 were read and approved on motion made by Doug Serra 2nd by John Clouse. Carried

The work session of 9/24/15 showed us that the land use form we were given does not apply to our area. It would need lots of tweaking! We may decide to start out with a new document.

Miranda reported Genesee Valley Central School will set up a web page for businesses, showing their hours etc. we could use that information for our directory.

Pjc/:positivejagcommunity.

Miranda also reported on the Amity Town board meeting with the Friendship Town Board. Not all board members were present. Friendship's lawyer agreed that the IDA should not have control of the water after this project starts. Friendship has some concerns about water costs in the future. A straw vote from this planning board is to go to Friendship and create the Amity Friendship water board.

Our comprehensive plan for the 1st to 3rd year is to

- A. update emergency/disaster plan
- B. water/sewer along Rte 19 Corridor and Belvidere area
- C. Infrastructure in the Rte 19 Corridor and Belvidere area
- D. Land use designations in Rte 19 Corridor and Belvidere

Tourism is hoping to develop economy using Genesee River Wilds. President is Bill Hart

Lois's thoughts are to build a tourist center on the town land near East Winds.

We need to create an Asset List: the areas of interest in and around Amity

Motion to adjourn made by Paula 2nd Doug Serra Carried 8:22

Respectfully submitted

Paula M. Van Dyke
